FAR away in the East were Wise Men. At night, they used to stand on their roofs and look at the stars. "When they saw the beautiful stars they said, "How great and strong is God!" Then one night they saw the most wonderful new star. It was big and bright and it moved across the sky. So they said, "Let us follow this star. Perhaps it will bring us to a great King." They travelled day after day. The star moved before them. At last it came to Bethlehem. It stopped over the place where the beautiful baby lay. They entered. Then because they were wise men, they knew this was the King of Kings. They knew this was the Son of God made man for love of men. So they gave Him gifts of kings. They gave Him gold, spices, and perfumes. Christmas is a time of gifts. God gives us His dear Son. So we too must give gifts to God and to one another.
