Lent & Easter kits & Gifts to stir the soul! Modesty & Purity resources to enlighten and encourage!

LITTLE STEPS TO CALVARY FOR LITTLE ONES We wanted a Lenten Chart for children that would help them see how their own sacrifices were steps alongside Our Lord and His cross. So, this chart incorporates all of these things! Snake-like path winds it's way up to Calvary with little footsteps alongside each square. In each square are listed common sacrifices that children can do so that each day a sacrifice is laid out for them to accomplish. Stickers are then used at the end of each day to put on that square if the sacrifice is done. Blank squares are also provided. Lovely Traditional artwork of angels and the Cross make this a most lovely chart to look at. Pencils, stickers and large 11 x 17 chart will really help your children's participation in Lent.
